Be a Part of What's Happening at Air Force Plant 85

You Are Invited...

You are invited to the next Restoration Advisory Board (RAB) workshop. The RAB is being formed to provide an opportunity for citizens to participate in the decision-making process during the environmental cleanup at AFP 85 (formerly operated by McDonnell Douglas). The purpose of the RAB is to ensure that community values are factored into the cleanup decisions. Topics for the workshop are:

- Budget and Planning Process – "How We Get Money"
- Relative Risk – "How We Prioritize"
- Seating a RAB – "How You Get Your 2¢ In"

It is important for all those interested in serving on the RAB to attend.
