The Future of Reserve Forces

Information Ops as a Core Competency

A Vision for the National Guard

Responding to Chemical and Biological Incidents

NORTHCOM and the National Guard

36
Issue

The militia being the great bulwark of defense and security for free states, and the Constitution having wisely committed to the national authority and use of that force as the best provision against an unsafe military establishment, I recommend to Congress a revision of the militia laws for the purpose of securing more effectually the services of all detachments.

—James Madison
