**SUBSCRIPTIONS:** *JFQ* is available by subscription from the Government Printing Office. To order for one year, cite: *Joint Force Quarterly (JFQ)* on the order and mail with a check for \$20.00 (\$28.00 foreign) or provide a VISA or MasterCard account number with expiration date to the Superintendent of Documents, P.O. Box 371954, Pittsburgh, Pennsylvania 15250-7954, or Fax the order to: (202) 512-2233.

Individual copies may be purchased through GPO bookstores nationwide for \$21.00 each.

**CONTRIBUTIONS:** *JFQ* welcomes submissions from members of the Armed Forces as well as defense analysts and academic specialists from this country and abroad, including both foreign military officers and civilians. Articles submitted for consideration should be 3,500 to 5,000 words long. Any standard manual of style may be followed in preparing the manuscript. Unsolicited book reviews are generally not accepted for publication.

Submissions should be mailed under a covering letter stating that the manuscript has not been previously published and is not under consideration by any other publication. In addition, include the author's full name (including rank, service/component, and assignment), a complete postal address (with Zip code), and work phone number. A biographical sketch or curriculum vitae should also be included. Submissions that do not satisfy these requirements will be rejected.

Manuscripts may be formatted using any standard word processing software (WordPerfect is preferred) and must be accompanied by the personal information indicated above. Send submissions to [JFQ1@ndu.edu](mailto:JFQ1@ndu.edu). It is recommended that a hard copy of the manuscript also be mailed with a diskette or compact disc.

All unsolicited manuscripts are reviewed, a process which can take two to three months. Do not identify the author in the body of the work. Manuscripts should be double-spaced with one-inch margins. Endnotes should include all relevant publication data (including page numbers) and cite printed sources rather than references to Web sites. Do not embed graphics (such as PowerPoint slides) in the text; place illustrations in separate data files. Original supporting material (maps, photos, et al.) should not be submitted with the manuscript.

*JFQ* reserves the right to edit contributions for length and conformity with the established style of the publication. Extensive use of acronyms and abbreviations is discouraged; technical jargon should be explained in the text. Page proofs of articles are not normally provided to authors for review.

Contributions selected for publication by servicemembers and employees of the Department of Defense are submitted to the Office of the Secretary of Defense for security review. No payment or honorarium is authorized for publication of articles submitted by servicemembers or Government employees. Material that appears in the journal is considered in the public domain and is consequently not protected by copyright.
