4 JAN 2016

Subj: In-residence Quota Request Procedures

1. JTS implemented a new automated process for submitting nominations/quota requests using the Joint Event Management System (JEMIS). Address is <https://secure.jten.mil/jemis/index.html>
2. Entering a request in JEMIS does not confirm that the individual has a quota (seat) only that their request has been received. Requests can be entered by the individual or by training manager who has the person's ssn.
3. We are not accepting the old quota request forms and will refer any we receive to the JEMIS site.
4. Our current schedule is posted on our NIPR website on the JEL. Address is: <http://www.dtic.mil/doctrine/jfs/jts.htm>

Loreta J. Ferguson
Deputy Director,
Joint Targeting School
