

Challenge / Success

Submitted By: USCENTCOM

Issue Type: T (Training)

Issue: Ambiguous guidance on training requirements exists for Standard Forces deploying to the USCENTCOM AOR

Background: Standard Forces are required to have specific capabilities prior to deploying to the USCENTCOM theater and must meet other Combined Joint Operations Area or focus area specific training requirements

Discussion:

- Numerous source documents located in distributed areas
- Lack of clear explanation of expected standards
- No clear process to submit requests for modification and/ or waivers

Action Taken:

- Developed a single source USCENTCOM Theater Training Requirements document for Standard Forces which will be annually reviewed and updated

OPRs: MAJ Felix Perez / Chief, Training Branch; Mr. Scott Elliott / Joint Training Facilitator
