

## **Medical Treatment facilities in Colorado Springs**

Fort Carson: Evans Army Community Hospital, located in Building 7500 on Titus Blvd is one of the Army's newest medical facilities. The hospital consists of three buildings joined as one complex. The five-story main hospital has a 78-bed capacity. The two-story clinic building contains 400 examination and treatment rooms. A common area connects the clinic building and the main hospital. This area includes the main entrance, medical library, chapel and pharmacy. The Evans complex offers more than a modern look; inside, the most modern, state-of-the-art medical equipment and services are available.

### **Medical Care**

Appointments -- Most appointments are made by TriWest Healthcare Alliance, Inc., our TRICARE partner. The central phone number for appointments is 888-874-9378. TRICARE also offers the TRICARE Line for Care (TLC). This service is available 24 hours a day, 7 days a week, and provides medical advice to you from a professional staff of nurses and a pharmacist.

Emergency Care -- Patients requiring emergency care should be taken directly to the Emergency Room. Emergency services are available 24 hours a day. The telephone number is 719-526-7111. Patients are seen on a medical priority basis, based on the seriousness of the injury or illness, not necessarily in the order of arrival.

Those not eligible for treatment at a military facility should go to Memorial Hospital of Colorado Springs, located at 1400 E Boulder Street, Colorado Springs, telephone (719) 365-5000.
