# Connecting Readiness to Training

*Command Linkage*

JMETL

External Training

NSA supports ~ 15 CCMD training events each year

Internal Training

AMETL

NSA conducts numerous internal training events each year

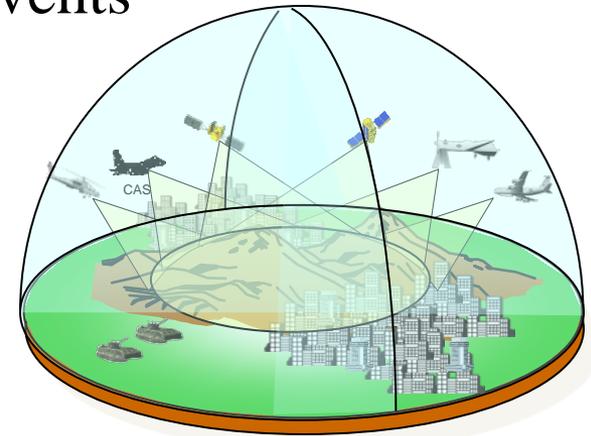

# Support to CCMD Training

*NSA support to and participation in CCMD training activities.*

## ➤ JCMS increasingly used in CCMD training events

- JCMS Mission: Deliver realistic, robust NSA/CSS capabilities to the Joint Intel / Ops training and experimentation environment.
- JCMS Focus:
  - Training Unit Interface....”real-world” based capabilities
  - Model and Simulation (M&S) Integration....be part of a system!
  - Exercise and Data Control....tied to training objectives
  - Security and Accreditation....leverage cross-domain capabilities
