Statement of Purpose: Our working group focus is providing an approach for educating, training, exercising, evaluating and assessing joint forces in conducting cyberspace operations by integrating and synchronizing training efforts with key stakeholders across the DoD. The group will share information, discuss progress on resolving major cyber training related issues, and focus on cyber training success within the cyber training realm.

Organizations Invited to Attend: Cyber Training Professionals, OSD, Joint Staff, Combatant Commands, Allies (FVEY), Services, Combat Support Agencies, and National Guard Bureau, Non-DOD agencies and NGOs.
