Tasks

Event Properties

## *Why Do We Need It?*

- Increase Efficiency and Effectiveness of Entire POW/MIA Accounting Community
  - Information Sharing
  - Collaboration
  - Digitized Documents Cheaper, Easier, and Safer to Store (St Louis Warehouse Fire)
- Need New Tools for Process Improvement

## *Current Status*

- 1<sup>st</sup> Development Contract Nearly Complete
- Working Prototype Tested by DPMO
  - NEA & Cold War Analysts Ready to Use FCMS
- Gathering Requirements for Next Development Contract

## *What's Next*

- Continue Working Towards Next Contract
- Integrate Rest of Accounting Community
  - SCOs, JPAC, AFDIL, LSEL
- Adapt FCMS for Other Conflicts
- Analysts Transfer Existing Files into FCMS
- Input Scanned IDPFs into FCMS
