Registering for Defense Connect Online *Interact in Real Time.*

Defense Connect Online (DCO) provides real time interaction through: Web conferencing, chat, video, application and desktop sharing, and voiceover capabilities.

How to Register

1. With your Common Access Card (CAC) inserted into your computer, go to <https://www.dco.dod.mil> and click "Accept" after reading the terms and conditions.
2. Click the green "Register" button on the top left-hand corner of the page. (Java 1.6 is required for registration). Follow the prompt to enter your CAC PIN.

3. Complete the two-page registration form. Some items are automatically filled in for you.
4. Create a 10-14 character password. (NOTE: Your password must be changed every 90 days or you will be locked out of DCO and will have to contact the DCO helpdesk to have your password reset.)
5. After submitting your registration information, the large login box will appear on the center of the page and will display your username. You will also receive a confirmation email with your username.
6. You can log on to DCO using *either* your CAC or your username and password.
