THE EFFECTS OF WASTE DISPOSAL IN THE NEW YORK BIGHT FINAL REPORT

SECTION 8: LITERATURE CITED
THE EFFECTS OF WASTE DISPOSAL IN THE NEW YORK BIGHT

A report summarizing these data and other CERC-supported research will be prepared soon, and published in the CERC series. The work was done by SHSFML of NOAA under interagency agreement with the Corps of Engineers through CERC. Data obtained under this report have not yet been reviewed by the Corps of Engineers. The findings in this report are not to be construed as an official Department of the Army position unless so designated by other authorized documents.
