Have you completed the Background Information Section?
Make sure, before you continue with this procedure.

PROCEDURE A. CHECKING TASKS OF PRESENT JOB

1. As you read each task in the Duty-Task section, pages 1 through 24
place a check beside each task that you perform in your present job. Put
your check mark in the column headed "Check-If Done Now." When you have
reached page 24, follow the arrow for your next instructions.

2. DO NOT COMPLETE THE RIGHT-HAND COLUMN AT THIS TIME.

3. If a task that you perform is not listed anywhere in the entire
list, write it on page 25, but do not add tasks that are classified.

4. Do not confuse work you do yourself with work you supervise.

5. Remember, at this time you are to complete only the column headed
"Check-If Done Now" for pages 1 through 24. Now, turn to page 1 and
BEGIN.

PROCEDURE B. RATING TIME SPENT ON TASKS IN PRESENT JOB

1. Have you checked each task that you perform in your present job?
Make sure, before you continue with this procedure.

2. Now you are to rate the relative amount of time you spend performing
each task in your present job. Relative time spent means the total time
you spend doing the task compared with the time you spend on each of the
other tasks of your present job.

3. Use a rating of "1" if you spend a "very small amount" of time on a
task. Use a rating of "2" for "much below average" time, and so on, up
to a rating of "9" if you spend a "very large amount" of time on the task.

4. Remember, you are to rate only tasks that you have already checked
in the first column of pages 1 through 24.

5. Place your rating, according to the 9-point scale, in the right-hand
column headed "Time Spent Present Job" by blackening the appropriate
circle. Caution: COMPLETELY fill in the circle you have chosen, but do
NOT overlap into other circles on the same line.

6. When you have completed all your ratings in the right-hand column of
pages 1 through 24, you will have completed this USAF Job Inventory and
you may turn it in to your Occupational Survey Control Officer.

7. Now, turn to page 1 and BEGIN your ratings for the right-hand column.
1. Check tasks you perform now (√).
2. If you don't do it - Don't check it.
3. In the "Time Spent" column, rate all checked (√) tasks on time spent in present job. If you checked it - Rate it.
