FOREWORD

This bibliography covers materials held in the collection of the Morris Swett Library, USAFAS on military chapels and chaplains. Coverage on the British and Canadian Corps are presented; however major emphasis is on the United States military/naval chaplains. Date of issue coincides with the 207th anniversary of the U.S. Chaplains Corp, 29 July 1775. (According to Eugene Colby's Army Talk, the Office of Chaplain was not recognized until 3 March 1791).

Inclusion of an item, or omission, neither implies Department of the Army or Field Artillery School indorsement or sanction of the compiler's point-of-view nor does it guarantee accuracy or completeness of content.
