PREFACE

Senior Level Leadership and Command: A Selected Bibliography, now in its second edition, includes notable publications that were added to the US Army War College Library collection since the first edition was published in March 1986, as well as all citations from the first edition. Like the original bibliography, this version lists references to resources which treat the specifics of command as well as materials which address leadership knowledge and competence applicable to other executive areas. For additional information, please contact the Reference Section, US Army War College Library, AUTOVON 242-3660/Commercial (717) 245-3660.
