INTRODUCTION

This bibliography was prepared for the Department of Political Science to assist participants in the 31st Air Force Academy Assembly to be held at the United States Air Force Academy from 13 to 16 March 1989. It represents a highly selected portion of the U.S. Air Force Academy Library's holdings on the topic indicated. Included are books, journals, government documents and technical reports. Not selected for inclusion in this bibliography were newspaper articles and journal titles whose entire run would be pertinent to the topic; e.g., Atlantic Community Quarterly, NATO's 16 Nations, and NATO Review.

This bibliography was compiled by members of the Reference Branch of the Academy Library. The manuscript for the printer was prepared using the Pro-Cite Bibliographic software.
