JUNE 1988
INTRODUCTION

This bibliography was prepared for the use of the U. S. Air Force Academy Library patrons. It represents a highly selected portion of the Library's holdings published, in general, from early 1986 to June 1988. For example, articles from newspapers and general news magazines like Newsweek, Time, and U. S. News and World Report are not included.

This bibliography was compiled and the manuscript was prepared for the printer by Susan J. Whitson of the Reference Branch of the Academy Library.
