THE U.S., JAPAN, AND ASIA: CHALLENGES TO U.S. POLICY

AD-A277 132

OCTOBER 1993
The Air Force Academy Political Science Department will host the 36th Air Force Academy Assembly entitled "The U.S., Japan, and Asia: Challenges to U.S. Policy" from 28 February - 5 March 1994. To assist participants, the Air Force Academy Library Reference Branch prepared this highly selective bibliography. Citations include books, journal articles, and government publications. Most books have copyright dates no earlier than 1982, and, with a few exceptions, journals and government publications have copyright dates no earlier than 1990. Citations exclude newspaper articles and report literature.

This bibliography was compiled and edited by Ms. Frances Scott using the Pro-Cite Bibliographic software. It was further edited and prepared for printing using Enable word processing software.
