C. POLICY

It is DoD policy that:

1. The USDR shall act as the in-country focal point for planning, coordinating, and executing support to U.S. Government officials for in-country U.S. defense issues and activities that are not under the mission authority exercised by parent DoD Components. The USDR shall act as the in-country representative of the Secretary of Defense, the Chairman of the Joint Chiefs of Staff, and the Unified Combatant Commanders with geographic area responsibilities, to provide coordination of administrative and security matters to U.S. Government officials for all DoD noncombatant command elements in the foreign country in which the USDR is assigned. The
USDR shall be the Chief of Mission (COM) single point of contact for these purposes, to assist the COM in carrying out his or her responsibilities under Section 3927(a)(1) of 22 U.S.C. (reference (c)). This Instruction will not be construed to give the USDR authority to direct, supervise, or represent DoD noncombatant command elements in the performance of missions directed by their parent DoD Components. The USDR will not become involved in intelligence matters.

2. The USDR in foreign countries is an additional duty title assigned to a military officer serving in a specifically designated position with prescribed authorities and functions. It is incumbent on all DoD noncombatant command elements to ensure that the proper support is provided to the USDR in fulfilling the requirements of this Instruction.

3. USDR duties shall be performed in coordination with the respective Unified Combatant Commander with geographic area responsibility.
