Dear Reader:

This product was prepared by the staff of the Federal Research Division of the Library of Congress under an interagency agreement with the sponsoring United States Government agency.

The Federal Research Division is the Library of Congress’s primary fee-for-service research unit. At the request of Executive and Judicial branch agencies of the United States Government and on a cost-recovery basis, the Division prepares studies and reports, chronologies, bibliographies, foreign-language abstracts, databases, and other tailored products in hard-copy and electronic media. The subjects researched include the broad spectrum of social sciences, physical sciences, and the humanities.

For additional information on obtaining the research and analytical services of the Federal Research Division, please call 202-707-9905, fax 202-707-9920, via Internet frd@mail.loc.gov, or write to Marketing Coordinator, Federal Research Division, Library of Congress, Washington, DC 20540-4840.

PREFACE

This study provides information on a new administrative territorial division of Vietnam, the VUNG TAU - CON DAO Special Zone. An overlay depicting the boundary of the special zone is included.
Vung Tau-Con Dao was established on May 30th, 1979, as a Special Zone directly administered by the central government and was given the status of a provincial level territorial division according to the 5th session of the 6th National Assembly of the Socialist Republic of Vietnam.

Vung Tau City and Long Son Village, formerly subordinate to Dong Nai Province, and the 14 islands of Con Dao, formerly subordinate to Hau Giang Province, were merged to become DAC KHU (Special Zone) VUNG TAU - CON DAO. The Con Dao Islands, with an area of 77 square kilometer, are located about 97 nautical miles from the mainland at BGN coordinates 08 42N 106 35E. This special zone became the country's fortieth major administrative unit.
