Unique Aspects of O&O

• Rapidly deployable, highly mobile with lethality
• Precision/Distributed Operations
• Information, Squad, Network, and Leader Centric
• Urban focus
• Maneuver out of contact
• Gain initiative/meet the enemy at time and place of our choosing
How We Fight

- Dynamic Organization
- Large, difficult to define battle space
- Collaborative/Parallel Planning
- Subordinate units must use initiative within intent
- Flexibility is key to success
- 180 day capability
- We will not practice exactly what we will execute
