   c. Soldiers must take and obtain a passing score on the Scholastic Assessment Test (SAT) or the American College Test (ACT). A passing score on the SAT is 850 or higher; a passing score on the ACT is 19 or higher. SAT/ACT scores must be dated within six years of the application. A soldier who wishes to retake either test will do at his/her own expense. Retaking the ACT requires a 60–day waiting period, while the SAT can be retaken only once during any fiscal year.

   e. Have a SECRET security clearance.

An applicant must not have been judged to be a juvenile offender. This applies even if the court sentence, or any part of it, was suspended or withheld, or such conviction was in any way removed from court records by satisfactory completion of a period of probation. This also applies to adverse juvenile adjudication. (See table 1–1 for waiver of prior convictions by civil or military courts.)

Section III
Service Commitment and Obligation

1–10. Enlisted service commitment
   a. An enlisted Active Army soldier who lacks enough service time to complete OCS training must extend his or her enlistment before enrollment. (See AR 601–280, chap 3.) The soldier’s enlistment must be extended to at least one day beyond the graduation date for the scheduled OCS class. Reenlistment, if needed, is permitted. The extension will be processed following selection but before departure from current duty station.
   b. If discharge is required for immediate reenlistment (see AR 601–280, para 3–1b), the discharge certificate will not be given to the applicant until after reenlistment has been completed (AR 635–200, para 16–3).

1–11. Commissioned service obligation
All Active Army OCS graduates will serve at least 3 years in a commissioned officer status on active duty.

Section IV
Mobilization

1–12. Policy and procedure modifications during mobilization
To accelerate the procurement and accession of officers during mobilization, policies and procedures are modified. The OCS program will become the primary base of expansion during mobilization. Upon full or total mobilization, this procurement program will provide the bulk of officers normally produced by the Reserve Officers’ Training Corps (ROTC) program during peacetime. For a partial mobilization, an expanded OCS may be required to supplement other peacetime officer procurement programs.

1–13. Mobilization OCS programs
The Deputy Chief of Staff for Personnel (DCSPER) will authorize, administer, and execute the expanded OCS program. Policy and procedure modifications will be as follows:
   a. During partial mobilization, the educational requirement may be reduced so that OCS applicants can be high school graduates.
   b. During full or total mobilization, the educational requirements will be reduced so that OCS applicants can be high school graduates.
   c. Qualifying scores on mental aptitude tests will remain as stated in paragraph 1–5b. When necessary, Headquarters, Department of the Army (HQDA) will adjust these scores to provide enough qualified applicants.
   d. On M–day, OCS classes in session at Fort Benning, GA, will be accelerated and graduates commissioned as soon as possible. Peacetime branch immaterial OCS classes will then be halted and responsibility transferred to installations conducting wartime branch immaterial OCS classes (see para f below).
   e. Branch–specific OCSs will be established at branch schools with an expected input of 100 or more students per week upon mobilization (or input as determined by HQDA). These courses will be designed to produce specialty–qualified officers prepared for deployment. Planning for establishment of branch–specific OCSs will be based on the training capacity published in the U.S. Army Training and Doctrine Command (TRADOC) Post Mobilization Training Plan.
   f. Branch immaterial OCS courses will be established at various locations based on a determination of installation supportability. These courses will provide 6 weeks of branch immaterial training, followed by specialty specific training at a branch school based on requirements.
   g. OCS applicants will be selected by the major Army command (MACOM) under procedures established by the DCSPER. Section II
Selection for OCS Enrollment

4–3. Procedures for notifying selectees

b. Installation commanders will—

(1) Remind the selectee that withdrawal will not be permitted until at least 4 weeks of training are completed, except as provided in paragraph 5–12c.

(2) Reenlist the selectee or extend the selectee’s enlistment, if necessary, and advise the MACOM commander of this action.

(3) Review with the selectee the policy on housing and movement of family members.

(a) Except as stated in paragraph 4–5, candidates will attend OCS in a TDY en route status. Some may attend OCS in a TDY and return status.

(b) Families choosing to accompany candidates to Fort Benning must do so at their own expense, unless the candidate’s permanent change of station (PCS) assignment is Fort Benning.

(c) Selectees who attend OCS from a CONUS installation will have the option to return to their present CONUS duty station upon completion of TDY, to prepare their family members for relocation to the new permanent duty station. The losing commander may allow selectees electing this option up to 10 duty days to prepare their family members for movement per AR 614–6 and DA Pam 600–8–1. This option applies to CONUS to CONUS and CONUS to overseas OCS moves. It does not apply to selectees attending OCS from an overseas assignment (overseas to CONUS PCS). It also does not apply to selectees assigned PCS to Fort Benning.

(d) Government quarters are available at Fort Benning only for family members of officer candidates whose PCS assignment is Fort Benning.

(4) Initiate special background investigation (SBI) for those applicants selected for military intelligence (MI).

If the examination will be more than 2 years old as of the scheduled OCS graduation date (commissioning date), the selectee must undergo a new examination before departing from home station (AR 40–501, para 8–14a(2)). Graduation dates are announced in the HQDA message that announces OCS class schedules (see para 4–3a).

4–4. Predeparture interview

a. Within 2 weeks before departure for training, the unit commander will interview the selectee. This in–depth interview is to verify that the selectee is still qualified and motivated to attend OCS. It ensures that no disqualifying factors (for example, physical, financial, personal, or motivational) have surfaced since the selectee appeared before the Structured Interview Board. Problems that could adversely affect the selectee’s ability to complete OCS successfully should be investigated. Prompt action should be taken to correct the problem or withdraw the selectee from OCS.

b. As a guide for the unit commander, a format for an OCS Interviewer Checklist is shown at figure 4–1. After the interview, the unit commander will complete the Narrative Summary of Predeparture Interview. (See fig. 4–2 for sample format.) The summary will be filed for 6 months in the selectee’s Military Personnel Record Jacket (MPRJ), action pending section. If it is determined that the selectee is not qualified to attend OCS, the commander will promptly recommend that the general court–martial convening authority (GCMCA) remove the selectee from the program, per paragraph 4–9. If removed, the selectee’s name will be reported as a removal by electrically transmitted message to CDR PERSCOM ALEX VA //TAPC–OPD–C/ within 2 duty days after the determination has been made. An information copy of the message will be sent to the appropriate MACOM.

Figure 4–1. OCS Interviewer Checklist sample format
4–5. Orders
Selectees will attend OCS in a TDY en route status or, if necessary, TDY and return. However, infantry selectees will be assigned PCS to Fort Benning. (1) DA Form 4322 and Narrative Summary of Predeparture Interview are included.

(2) Selectee is qualified to enroll in the program. If a selectee is considered unqualified, the school commandant will act in the capacity of the GCMCA under the procedure in paragraph 4–9a.

b. Within 5 workdays after each class has enrolled, the school commandant will send to PERSCOM (TAPC–OPD–C), Alexandria, VA 22332–0413 an alphabetical roster of the students, including grades and SSNs.

c. The commandant will send a final student roster to PERSCOM (TAPC–OPD–C) within 1 week of class graduation. This roster will show candidates who were commissioned and indicate the status of those who were not commissioned. PERSCOM (TAPC–OPD–C) will notify the proper career management divisions if assignment orders are to be amended or revoked.

5–2. Grade authorization

Upon enrollment in class, candidates will be promoted to pay grade E–5, in accordance with AR 600–8–19, if they then hold a lower grade. Candidates with a higher grade will retain that grade. Students promoted on the basis of OCS attendance who fail to successfully complete the course will be reduced to the grade held before entering OCS or to a grade deemed suitable.
5–3. Grade status
As students, all candidates will be considered equal. All grade insignia and badges (for example, Ranger Tab, Parachutist Badge) will be removed from the candidate’s uniform during the school term. The officer candidate insignia authorized by AR 670–1 will be worn. For economy, warrant officers may keep the piping on their class A uniform.

Section II
Awards and Honors
5–4. Distinguished graduates
The commandant may designate as distinguished graduates those students who exhibit the outstanding leadership ability and personal traits that are essential to become successful commissioned officers. To qualify for such designation, a graduate must be in the upper one-third of the final class standing. These graduates will be honored formally at graduation ceremonies as the—
   a. Distinguished Honor Graduate.
   b. Distinguished Leadership Graduate.
   c. Distinguished Academic Graduate.
   d. Distinguished Physical Fitness Graduate.
Title not used Paragraph not used.

Section III
After Graduation
5–5. Leave upon graduation
Leave credit will be carried forward into commissioned officer service. The school commandant may grant up to 30 days delay en route to be chargeable against leave accrued. This delay will not extend beyond the officer’s branch Service school report date.

5–6. Separation from prior service
On the day before appointment, the graduate’s records will be closed and a discharge certificate prepared. A discharge certificate will not be given to a graduate until the oath of office to commissioned status has been taken.

5–7. Medical examination
Normally, graduates will not have to take a medical examination upon change from enlisted or warrant officer status to commissioned officer status. A proper medical examination taken within the preceding 2 years will serve for appointment purposes. Under the provisions of AR 40–501, only graduates who become seriously ill or sustain an injury after their last medical examination must be reexamined.

Section IV
Appointment and Assignment
5–8. Appointment procedures
   a. The graduate’s OCS application DA Form 61 will also be used as the application for appointment as a Reserve commissioned officer of the Army. An OCS graduate tendered an appointment becomes a commissioned officer upon taking the oath of office and executing a DA Form 71 (Oath of Office—Military Personnel). This act serves as acceptance of the appointment (10 USC 12203).
   b. By direction of the President of the United States, the school commandant is authorized to tender each successful graduate an appointment as a Reserve of the Army in the grade of second lieutenant. Upon receiving a properly executed oath of office, the commandant will issue commissions (DD Form 1A (Officer Commission Certificate)) for such appointments. The following annotation will be typed below the body of the oath on the left side of DA Form 71: “DD Form 1A issued… (Date) … ” Appointed officers receive Army Reserve branch assignments based on the PERSCOM branch assignment choice for that graduate.
   c. Each OCS selection board is given a list of branch quotas based on the Army’s needs for newly commissioned officers in various branches. A large proportion of these needs is in combat arms. In recommending branches, the board considers—
      (1) Army and branch strength requirements.
      (2) Personal preferences stated on the DA Form 61.
      (3) Educational background.
      (4) Prior military training and experience.
      (5) Physical qualifications.
d. The OCS Board makes designation of branch incident to the selection process. The factors in c above are evaluated during the decision process. Branch assignment may not be changed unless unusual qualifications surface which, through no fault of the individual, were not available to the OCS Board at the time of designation. If such information is discovered, the candidate may request redesignation through the OCS Battalion Commander to PERSCOM (TAPC–OPD–C), Alexandria, VA 22332–0413.

e. Before appointment, the school commandant will ensure favorable completion of the required personnel security investigation. Candidates to be commissioned in MI should have begun an SBI when notified of selection for MI branch. They may be appointed MI as an exception to policy pending favorable completion of an SBI. If the SBI is not favorably completed, branch will be changed upon receipt of clearance determination.

f. The letter of appointment in AR 135–100 will be used. Appointment will be for an indefinite term, and the letter will be dated as of the date of graduation. However, when an appointment letter is prepared after the graduation date, the date of that letter will be the same as the appointment date. Retroactive appointments are not authorized.

g. Graduates must serve on active duty in a commissioned officer status for 3 years.

h. The school commandant will—
   (1) Issue orders placing graduates on active duty under the authority in 10 USC 12301.
   (2) Report OCS graduates commissioned as Active Army accessions to PERSCOM not later than 1 week after graduation.
   (3) Initiate DA Form 2B and DA Form 4037 (Officer Record Brief) (ORB) for each graduate being appointed as a second lieutenant.

5–9. Disposition of records of candidates appointed in the Army Reserve

a. The records listed below and an alphabetical list of the names of appointees whose records are enclosed will be sent to PERSCOM (TAPC–MSR), Alexandria, VA 22332–0400 by transmittal letter. Records of each appointee will be arranged in the following order:
   (1) Original DA Form 71 for appointment in the Army Reserve.
   (2) Original letter of appointment. (Date of acceptance will be entered in lower left corner.)
   (3) Original DA Form 61.
   (4) DD Form 220 (Active Duty Report).
   (5) One copy of active duty order.
   (6) One legible copy of DD Form 2808 with signature and title of reviewing authority.

b. DA Form 201 of former warrant officer and enlisted personnel will continue to be used. The MPRJ, with documents listed below, will be sent (handcarried in a sealed envelope) to the appointee’s gaining unit:
   (1) Copy of letter of appointment. (Date of acceptance will be entered in lower left corner.)
   (2) Two copies of active duty order.
   (3) Original DD Form 2808 and DD Form 2807–1.
   (4) Original DA Form 2B and DA Form 2–1.

c. A copy of the letter of appointment for each appointee, with date of acceptance in the lower left corner, and copy of the active duty order will be distributed to PERSCOM (TAPC–OPD–appropriate career management division), Alexandria, VA 22332.

Section V
Candidates Not Commissioned

5–10. Relief and disposition of candidates not commissioned

a. Candidates who clearly show a lack of aptitude or qualification for commissioned status, as determined under procedures established by the school commandant, will be relieved from OCS. Procedures to determine if the candidate lacks aptitude or qualification for commissioning will be consistent with requirements in AR 351–1, paragraph 3–13b. These procedures will include notice of the deficiency and an opportunity to respond before a decision is made on relief from OCS.

b. The school commandant, or a named representative, may relieve a candidate whenever a lack of aptitude or qualification for commissioning has been determined. The decision may be for—
   (1) Disciplinary reasons.
   (2) Academic deficiencies.
   (3) Disqualifying physical conditions.
   (4) Leadership deficiencies.
   (5) Security reasons.
   (6) Lacking motivation.
   (7) Falsifying or omitting facts on application.
   (8) Violating the honor code.
(9) Misconduct.

c. Additionally, the commandant may approve the resignation of a candidate for personal reasons. Candidates may not resign until after enrolling in the class and completing at least 4 weeks of training. The only exception will be for the convenience of the Government when personal reasons or physical or mental deficiencies, unforeseen before enrollment, surface. If the commandant approves a candidate’s resignation, that candidate’s name will be reported promptly to PERSCOM (TAPC–OPD–C). The candidate will then be reassigned based on the needs of the Service.

d. If a candidate is relieved for any reason in b or c above, or for failure to fulfill other requirements of this regulation, DD Form 785 (Record of Disenrollment from Officer Candidate–Type Training) will be sent to PERSCOM (TAPC–OPD–C).

e. The school commandant may issue a certificate of proficiency to candidates who honorably and successfully complete—

(1) The course but are not appointed and commissioned as second lieutenants.

(2) Only a part of the course and are not appointed and commissioned as second lieutenants.

f. Warrant officers who do not graduate are immediately available for reassignment. A request for reassignment instructions will be sent, by message, to CDR PERSCOM ALEX VA//TAPC—OPW//. The request will include the—

(1) Warrant officer’s name, grade, SSN, and PMOS.

(2) Number of days of delay en route desired, if any.

g. Enlisted students who do not graduate must complete the time remaining in their current term of enlistment or reenlistment, except as otherwise provided by law or regulation. They are immediately available for reassignment and will be reported as prescribed in AR 614–200.

h. The application packet will be returned to students who fail to graduate from OCS.

5–11. Use of DD Form 785

a. The school commandant will complete a DD Form 785 for—

(1) Candidates disenrolled from OCS.

(2) Candidates completing the course but not commissioned.

b. The school commandant will send a copy of the completed DD Form 785 to PERSCOM (TAPC–OPD–C), Alexandria, VA 22332–0413, when a candidate is disenrolled. Specific reasons for disenrollment must be explained in detail.

c. If a request for information regarding a candidate’s disenrollment is received from another Uniformed Service, the request will be sent to the school commandant.

d. The DD Form 785 will be held at the school for 5 years after disenrollment of the candidate, and then destroyed.

5–12. Retention of candidates

a. The school commandant may hold over for a later class candidates who—

(1) Fail to complete a course through no personal fault.

(2) Fail for other reasons, but whose records show that they may reasonably be expected to overcome their deficiencies by joining a later class.

b. Candidates described in a above may be—

(1) Turned back to the beginning of the next class.

(2) Required to complete only those portions of the class considered necessary by the commandant.

c. Students who miss or cannot actively participate in a significant amount of training for 14 or more days of instruction due to medical reasons may be relieved or turned back to a later class. At the discretion of the commandant, these students may be assigned to a later class after meeting the medical standards in paragraph 1–5f.
