SUPPLEMENT TO
VIETNAM 1964-1973:
AN AMERICAN DILEMMA

October 2005

20051201 011
INTRODUCTION

This bibliography is a supplement to the Special Bibliography Series, Number 80, compiled in 1990 to support the 14th Military History Symposium. It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War, although some works prior to that date are included. The bibliography is selected from the holdings on that war housed in the McDermott Library, United States Air Force Academy, and includes books, journal articles, government publications, and technical reports. Newspaper articles, works of fiction, collections of poetry, and most personal narratives are not included.

The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia. Those items are also excluded from this bibliography since they are limited to in-house use only. Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist.

This bibliography, Number 103 in the McDermott Library's Special Bibliography Series, was compiled by Mr. Elwood L. White, Social Sciences and Humanities Librarian. Questions and comments about this addition to the Special Bibliography Series may be addressed to Mr. White at:
