PREFACE

This selected bibliography lists references for readings on leadership, ethics, civil-military relations and other topics directly related to the study of The Military Profession. Particular attention was devoted to United States Army officership.

With the exception of some important older titles, most of the books, documents, articles and online resources cited are dated 2000 to the present. All items in this bibliography are available in the USAWC Library. For your convenience, at the end of the entries, we have added library call numbers, Internet addresses, or database links. Web sites were accessed during August 2006.

This bibliography and others, compiled by our research librarians, are available online through the Library's home page http://www.carlisle.army.mil/library/bibliographies.htm.

For additional information, please contact the Research and Information Services Branch, U.S. Army War College Library by sending an e-mail message to libraryr@carlisle.army.mil, or by phoning DSN 242-4280 or Commercial (717) 245-4280.
