INTRODUCTION

Not included in this bibliography are articles from the local area (i.e. Colorado Springs and Denver) newspapers. In most instances, specific athletic events are not covered. Similarly, most Academy publications are excluded.

The basic arrangement of the bibliography is by subject as outlined in the Table of Contents. Each subject area is subdivided by resource type: books, reports, government documents, or periodical articles. Call numbers, shown in parentheses, indicate the location of the item in the Academy’s library system. A general index is also included that lists the citation number of items in this bibliography.

We encourage our readers to submit additional references not included in this or earlier bibliographies. Such references will be put in the appropriate section of the next supplement of the bibliography. Bibliographical data and/or copies for such matters should be sent to:

HQ USAFA/DFLIB-REF
Attn: Historical Bibliography
2354 Fairchild Drive, Ste 3C9
USAF Academy CO 80840-6214

Requests to borrow materials, listed in this or previous bibliographies, should be directed to the Inter-Library Loan Office at the above address.

This bibliography is the fourth supplement compiled and indexed by Mr. Elwood White, Military History Bibliographer and Social Sciences Reference Librarian. Regrettably, this is Mr. White’s final bibliography as he retires from a career of distinguished library service in the Department of Defense. His meticulous work and careful research will be sorely missed.
