PREFACE

_Terrorism: A Selected Bibliography_ provides citations for information about various types of terrorism, related strategies, and other issues. It was compiled for students and researchers to expand their knowledge of this extremely important topic.

With certain exceptions, the materials listed in this bibliography are dated from 2005 to the present. All items are available through the USAWC Library. For your convenience, we have added call numbers, Internet addresses, or database links at the end of each entry. Web sites were accessed December 2009.

This bibliography and others compiled by our research librarians are available online through the Library’s home page at [http://www.carlisle.army.mil/library/bibliographies.htm](http://www.carlisle.army.mil/library/bibliographies.htm).
