How to Locate Business Opportunities at the Office of Naval Research

Navy Gold Coast Small Business Procurement Event

August 2012

Report Documentation Page

*Form Approved
OMB No. 0704-0188*

Public reporting burden for the collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to a penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

“The ONR Mission”

The Office of Naval Research’s (ONR) mission – defined by law –

“...is to plan, foster and encourage scientific research in recognition of its paramount importance as related to the maintenance of future naval power and the preservation of national security. Further, ONR manages the Navy’s basic, applied and advanced research to foster transition from science and technology to higher levels of research, development, test and evaluation.”

“ONR’s Purpose”

As the Department of the Navy’s science and technology provider, ONR provides technology solutions for Navy and Marine Corp needs.

ONR is always looking for innovative scientific and technological solutions to address current and future Navy and Marine Corps requirements.

“Partnering with ONR”

-Potential Offerors are urged to check the Program Areas of interest throughout the year for updates to thrust areas and research priorities on the ONR website at www.onr.navy.mil

-A brief description of the ONR Program Codes and various science and technology thrusts is provided @ <http://www.onr.navy.mil/Science-Technology/Departments.aspx> and <http://www.onr.navy.mil/Science-Technology/Directorates.aspx>

“Partnering with ONR”

ONR is constantly looking for innovative scientific and technological solutions that address current and future Navy and Marine Corps requirements. We want to do business with people and organizations with:

- *Ground-breaking ideas;***
- *Pioneering scientific novel technology developments;***
- *First-class support services***

“Partnering with ONR”

A brief description of the ONR Program Codes and various science and technology thrusts is provided at:

<http://www.onr.navy.mil/Science-Technology/Departments.aspx> ; and

<http://www.onr.navy.mil/Science-Technology/Directorates.aspx>

“Partnering with ONR”

Unique to ONR, prior to preparing and or submitting white papers or full proposals, Potential Offertory are ‘strongly encouraged’ to contact the ONR Technical Point of Contact (TPOC)...

“Partnering with ONR”

541511 - Custom Computer Programming Services

“Locating Potential Business Opportunities”

ONR and it’s sub-activity, the Naval Research Laboratory (NRL), both possess acquisition authority to execute contracts, simplified acquisitions, grants, cooperative agreements and other transactions:

ONR’s Acquisition Department – provides business advice, award execution, award administration, policy development and e-business solutions to ONR’s provider network thru partnership with the science and technology community. The Acquisition Department executes a variety of acquisition vehicles at various dollar thresholds.

Our main office is located in Arlington, VA and primarily performs pre-award functions. In addition we have five regional offices located in Atlanta, GA; Boston, MA; Chicago, IL; San Diego, CA; and Seattle, WA whose primary function is to perform post-award functions for colleges, universities and non-profit organizations for not only ONR, but Navy, Army, Air Force, DoD, and other Federal Activities. <http://www.onr.navy.mil/Contracts-Grants.aspx>

“Locating Potential Business Opportunities”

NRL has a Contracting Division which executes requirements which exceeds \$150K; and a Purchasing Division which is responsible for procuring requirements at or below the Simplified Acquisition threshold of \$150K:

NRL Contracting Division - is responsible for the acquisition of outcomes, materials and services valued in excess of the simplified acquisition threshold. The NRL Contracting Division is located at the NRL main site in Washington, DC with a section located at the NRL site at Stennis Space Center, MS.
<http://heron.nrl.navy.mil/contracts/home.htm>

NRL Supply and Information Services Division - is responsible for procuring outcomes, materials & services with an estimated price at or below \$150K, on the Open market. Additionally, they procure materials & services from GSA Schedule contracts and other indefinite delivery type contracts up to the maximum order limit of the contract. They have an unlimited authority when ordering from the Government's Wholesale Supply System. <http://supply.nrl.navy.mil/home.htm>

“Locating Potential Business Opportunities”

In addition, the NRL Supply and Information Services Division maintains a current mailing source list utilizing an automated system; companies' information may be emailed to SolQnA@nrl.navy.mil, faxed to (202) 767-0367 or mailed to:

*Naval Research Laboratory
Technical Staff, Code 3441.3
4555 Overlook Ave., SW
Washington, D.C. 20375-5329*

“Locating Potential Business Opportunities”

In addition, the Supply Division has designated Monday mornings as 'Vendor Days', to allow contractors/vendors an opportunity to come in and meet the Contracting Officers/Purchasing Agents. To schedule an appointment/questions contact (202) 767-0375 or by mail to:

***Naval Research Laboratory
Purchasing Branch, Code 3410
4555 Overlook Ave., SW
Washington, D.C. 20375-5329***

'However, Mondays during the month of September as well as those during the Christmas Holidays are excluded.

“Locating Potential Business Opportunities”

NRL Purchasing Department Points of Contact:

NRL Supply Officer (202) 767-3446

Purchasing Branch Head (202) 767-2303

Small Purchase (202) 767-9288

“Locating Potential Business Opportunities”

Navy SeaPort-Enhanced (SeaPort(e))-

In order to meet its service requirements, ONR uses the Navy's Seaport-e (i.e., Multiple Award Contract(s)) for support services). SeaPort-e is the Navy's electronic platform for acquiring support services in a variety of functional areas including Engineering, Financial Management, and Program Management support.

The SeaPort-e portal provides a standardized means of soliciting offers from amongst both large and small businesses with nearly 85% of SeaPort-e contract-holders being small businesses thusly enhancing small Business participation.

NRL currently 'is not' a Navy SeaPort(e) participant.

“Locating Potential Business Opportunities”

Navy SeaPort-Enhanced (SeaPort(e)) -

Navy SeaPort-e 22 Functional Areas:

**Research and Development Support*

**Engineering, System Engineering and Process Engineering Support*

**Modeling, Simulation, Stimulation, and Analysis Support*

**Prototyping, Pre-Production, Model-Making, and Fabrication Support*

**System Design Documentation and Technical Data Support*

**Software Engineering, Development, Programming, and Network Support*

**Reliability, Maintainability, and Availability (RM&A) Support*

**Human Factors, Performance, and Usability Engineering Support*

**System Safety Engineering Support*

**Configuration Management (CM) Support*

**Quality Assurance (QA) Support*

**Information System (IS) Development, Information Assurance (IA) and Information Technology (IT) Support*

**Inactivation and Disposal Support*

**Interoperability, Test and Evaluation, Trials Support*

**Measurement Facilities, Range, and Instrumentation Support*

**Logistics Support*

**Supply and Provisioning Support*

*

“Locating Potential Business Opportunities”

Navy SeaPort-Enhanced (SeaPort(e)) -

Navy SeaPort-e 22 Functional Areas, continued:

****Training Support***

****In-Service Engineering, Fleet Introduction, Installation and Checkout Support***

****Program Support***

****Functional and Administration Support***

****Public Affairs and Multimedia Support***

If interested in submitting a proposal during this the next open rolling admission period visit: <http://www.seaport.navy.mil/default.aspx>. Other Navy activities using Navy SeaPort(e) include, NAVSEA, NAVSUP, SPAWAR, NAVAIR, etc., and may also provide additional business opportunities.

“Locating Potential Business Opportunities”

ONR Office Supplies –

Our office supplies are primarily purchased via DoD E-Mall at:

<http://www.dsccl.dla.mil/programs/eball/index.html>

“Locating Potential Business Opportunities”

ONR Small Business Innovation Research (SBIR)/Small Business Technology Transfer (STTR) Program -

****Through the Navy's Small Business Innovation Research (SBIR) Program, small businesses of 500 people or less have the opportunity to address naval needs in more than 30 science and technology areas.***

****Navy SBIR provides the fleet with innovative advances in technology developed by small firms. SBIR participants benefit both from program awards as well as the further development and commercialization of the resulting products.***

****Navy's Small Business Technology Transfer (STTR) program is intended to foster transitions of joint efforts between qualified small businesses and research institutions to Navy and Marine Corps, in particular.***

****Small businesses may register for the Department of Defense (DoD) SBIR solicitation and related mailing lists on-line via the DoD SBIR home page.***

For detailed information about the Navy's SBIR/STTR program, visit: www.navysbir.com.

“Locating Potential Business Opportunities”

Navy SBIR/STTR Home Page: www.navysbir.com

Opportunities currently available:

***DoD FY-2012.3 SBIR (Pre-release) Opens August 27, 2012 Closes September 26 2012 6:00 a.m., Eastern Standard Time (EST)**

***The DoD issued its 2012.3 SBIR pre-release on July 26, 2012, which opens to receive proposals on August 27, 2012, and closes September 26, 2012 at 6:00am EST. The solicitation is inclusive of 12 topics from three (3) of the Navy's SYSCOMS:**

***SYSCOM Topics: Total 12**

[MARCOR 5](#)

[NAVSEA 2](#)

[SPAWAR 5](#)

***System Commands (SYSCOM)**

“Locating Potential Business Opportunities”

Navy SBIR/STTR Home Page:

Opportunities currently available:

-Between July 26 and August 26, 2012, you may talk directly with the Topic Authors (i.e., Technical Points of Contact (TPOC)) to ask technical questions about the topics. The contact information is listed within each solicitation topic.

-For reasons of competitive fairness, there will be no direct communication between proposers and topic authors starting August 27, when DoD begins accepting proposals for this solicitation.

-However, proposers can still submit written questions about solicitation topics through the [SBIR/STTR Interactive Topic Information System \(SITIS\)](#), in which the questioner and respondent remain anonymous and all questions and answers are posted electronically for general viewing until the solicitation closes.

“Locating Potential Business Opportunities”

Navy SBIR/STTR Home Page:

Opportunities currently available:

-All proposers are advised to monitor [SITIS](#) during the solicitation period for questions and answers, and other significant information, relevant to the SBIR/STTR topic under which they are proposing.

-Complete solicitation instructions and forms are available on the DoD SBIR/STTR web site at www.acq.osd.mil/osbp/sbir/solicitations/sbir20123/index.shtml. A DoD wide topic search engine is available at www.dodsbir.net/Topics/

“Locating Potential Business Opportunities”

Navy SBIR/STTR Home Page:

Navy Rapid Innovation Fund (RIF) Broad Agency Announcement (BAA) 12-014

DoN RIF program is designed to provide SBIR Phase II firms and other small businesses with innovative technologies that can resolve operational challenges or meet critical national security needs an opportunity to gain access to bridge funding to cross the so called "valley of death".

In order to be selected, projects must be able to transition into an acquisition program or field a DoN prototype system within 36 months (24 months for DoN RIF project and 12 months post project transition) and cost not more than \$3 million in RIF program funding.

Successful applications will have significant existing support from an acquisition program and/or Prime Contractor/Systems Integrator, will already have completed at least some initial prototype testing, and will have an understanding of the requirements necessary to achieve Test Readiness Level (TRL) 7/8.

“Locating Potential Business Opportunities”

Navy SBIR/STTR Home Page:

Navy Rapid Innovation Fund Broad Agency Announcement (BAA)

Firms that have not successfully completed their initial Phase II efforts, do not have a detailed transition path into an identified acquisition program, or have not worked with a Prime Contractor/Systems Integrator to identify transition requirements is very unlikely to be selected for award.

Complete details and the BAA are available on the both the ONR and FedBizOpps web site at:

<http://www.onr.navy.mil/en/Contracts-Grants/Funding-Opportunities/Broad-Agency-Announcements.aspx>
