   Collection bibliographies, with an emphasis on artillery, have also been developed.
   These deal with various practically-related forms of warfare. They include:

19. **KEY WORDS (Continue on reverse side if necessary and identify by block number)**
   Bibliographies, army operations, cover, aviation personnel, artillery, operations, test tests, deserts, infantry, desertion, Marine corps, tactical, Vietnam.

20. **ABSTRACT (Continue on reverse side if necessary and identify by block number)**
   This report is one of several bibliographies covering military/coal military article coverage on the dual topics of Iraq and Desert warfare. While references to combat, various articles on training are also included.
FOREWORD

This number, in the special bibliography (SB) series, covers military/naval periodical articles written on the dual topics of bush and desert warfare. While emphasis is on combat, various articles on training are also presented.

Inclusion of an item, or omission, neither implies USAFAS indorsement, sanction of the compiler's point-of-view, nor does it guarantee accuracy of content. Comment concerning this listing is solicited.

Companion bibliographies, with an emphasis on artillery, have also been developed which deal with various geographically oriented forms of warfare. They are indicated as follows:
