1962 - 1985

This bibliography contains all reports given a NPRU/NHRC number from 1962 to 1985. The reports are filed by their report number. Therefore, when requesting a report, please use the report number. There are no 1986 reports listed because of continual changes.

A copy of all our reports with numbers are sent to DTIC, who assigns the report their acquisition number identified by <AD# xxx-xxxx>. If we do not have copies on file, we may refer you to DTIC.

Defense Technical Information Center, Cameron Station, Alexandria, VA 22314

If you contact DTIC be sure to provide their AD number. A few reports may not have been assigned AD#s and will appear as <No AD#>.

**Definitions:**

- **Center Publication** - the report was published by our local Navy printing office and mailed to addressees on the command mailing list.

- **Center Report** - the report was NOT published nor mailed out to addressees on the command mailing list. A copy may be obtained from the senior author or from DTIC.

If you would like:

- to have your name added to the command mailing list or
- to the ML Wilkins Library to obtain a copy of any report, be sure to give the report number.
