A. PURPOSE

b. A violation of the DoD Standards of Conduct as identified in DoD Directive 5500.7 (reference (c)) or implementing regulations.

c. An abuse of authority, especially when there is an element of personal benefit to the official, a family member, or an associate.

1. It is DoD policy that allegations of serious misconduct against senior DoD officials shall be promptly reported to the IG, DoD, at the time such allegations are received by another DoD Component. Except in unusual circumstances, the IG, DoD, shall promptly notify the appropriate DoD Component when an allegation is received. Allegations of serious misconduct against senior officials shall be vigorously investigated by appropriate investigative organizations.

2. Nothing in this Directive shall affect the authority of the IG, DoD, under Pub. L. 95-452 and DoD Directive 5106.1 (references (d) and (e)).

3. Nothing in this Directive shall affect the authority of the Heads of the DoD Components and commanders to initiate inquiries or investigations into matters pertaining to their Component or command, and to determine the nature and severity of disciplinary or administrative action in particular cases, consistent with DoD Directive 5500.7 and DoD Instruction 5505.3 (references (c) and (f)) or other applicable laws, rules, and regulations.
E. RESPONSIBILITIES

1. The Inspector General of the Department of Defense shall:

   e. Notify the Secretary of Defense of allegations or investigations involving Presidential appointees, and other allegations or investigations that can reasonably be expected to be of significance.

   f. If the IG, DoD, determines in a particular case that investigative needs do not permit the notifications for which paragraphs E.1.b. and c. above provide, the IG, DoD, may dispense with those notifications and shall instead notify promptly the Secretary of Defense.

   q. Establish necessary controls to limit access to information covered by this Directive. The controls will protect the confidentiality and sensitivity of material and identity of witnesses. Those controls should ensure that information covered by this Directive is handled to avoid unauthorized disclosure.

2. The Heads of the DoD Components shall:

   a. Designate an individual to be the point of contact with the IG, DoD, for the exchange of information required by this Directive (hereafter referred to as the Component-designated official (CDO)). The Secretary of the Navy may designate separate officials for the Navy and Marine Corps.

F. PROCEDURES

DoD CDOs shall:

2. Unless notified that the IG, DoD, assumes investigative responsibility for a particular matter, initiate or cause to be initiated an investigation of the issues raised in the allegation(s).

3. If the investigation is not completed within 90 days of receipt of the allegation, provide an interim report to the IG, DoD, on the 90th day and supplement it every 60 days thereafter until the final report is submitted. The interim report may be a copy of a report sent to the senior leadership of the DoD Component, if it includes the information in paragraphs F.1.a. through F.1.e., above, and it also includes a summary of scope and findings to date and the expected date of completion.

4. Provide to the IG, DoD, within 1 week of completion of the investigation a copy of the report of the investigation (with attachments). This requirement includes, but is not limited to, reports of investigations conducted by Defense criminal investigative organizations, Inspectors General of the Military Departments, military commanders, Offices of General Counsel, or others appointed to investigate allegations of serious misconduct against senior officials.

5. Provide to the IG, DoD, a written report of any disciplinary and/or administrative action, and the nature thereof, taken against a senior official within 1 week after such action is taken.
