A. PURPOSE

This Directive implements reference (a) by establishing policies and assigning responsibilities for the administration of the Federal Advisory Committee Act (FACA) within the Department of Defense.

B. APPLICABILITY

This Directive applies to the Office of the Secretary of Defense (OSD), the Military Departments, the Joint Chiefs of Staff (JCS), the Joint Staff, the Unified and Specified Commands, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "DoD Components"). For the OSD, the Director of Administration and Management (DA&M) is designated to carry out the functions and responsibilities of the component head.

C. DEFINITION

Federal Advisory Committee. Any committee, board, commission, council, conference, panel, task force, or other similar group, or any subgroup thereof (that is not composed wholly of full-time employees of the Federal Government), that is established by statute, or established or utilized by the President or any agency official for obtaining advice or recommendations.

D. POLICY

1. Advisory committees shall be established and administered consistent with the FACA (reference (a)), the General Services Administration (GSA) Final Rule (reference (b)), and this Directive. They shall be established only when
they are determined to be essential, and their number should be kept to an absolute minimum. Advisory committees shall be terminated when they are no longer carrying out the purpose for which they were intended.

2. Committees, other than DoD Federal advisory committees, shall be established consistent with the provisions of DoD Directive 5105.18 (reference (c)).

3. Excluded from coverage of the FACA are the following:
   a. Any committee composed wholly of full-time employees of the Federal Government.
   b. Any advisory committee exempted by an Act of Congress.
   c. Any local civic group whose primary function is that of rendering a public service with respect to a Federal program, or any State or local committee, council, board, commission, or similar group established to advise or make recommendations to State or local officials.
   d. Any committee established to perform primarily operational, as opposed to advisory, functions.
   e. Any meeting initiated by the President or one or more Federal officials for obtaining advice or recommendations from one individual.
   f. Any meeting initiated by one or more Federal officials with more than one individual for obtaining the advice of individual attendees and not for the purpose of utilizing the group to get consensus advice or recommendations.
   g. Any meeting initiated by a group with the President or one or more Federal officials for expressing the group's view, provided that the President or Federal official(s) does not use the group recurrently as a preferred source of advice or recommendations.
   h. Meetings of two or more advisory committee or subcommittee members convened solely to gather information or conduct research for a chartered advisory committee, to analyze relevant issues and facts, or to draft proposed position papers for deliberation by the advisory committee or a subcommittee of the advisory committee.
   i. Any meeting with a group initiated by the President or one or more Federal officials for exchanging facts or information.

4. Advisory committees may not be established to make decisions, conduct agency operations, or perform functions that can be carried out by existing agency staffs.

5. Membership of each advisory committee shall be balanced in terms of the points of view represented and the functions to be performed. Committee sponsors shall develop criteria for membership consistent with committee requirements and document the reasons for membership selections.
6. Except when otherwise specified by the President or Congress, membership on DoD advisory committees must be approved by the Secretary of Defense, Deputy Secretary, or their designee. Individuals may not serve as advisory committee members for more than four years, unless an extension is approved by one of these officials.

7. All non-Federal Government advisory committee members must be appointed as individual consultants. These appointments must be made annually, consistent with enclosure 2 of DoD Directive 4205.2 (reference (d)).

8. Non-Federal Government advisory committee members shall be encouraged to serve without compensation. Before a committee member may be compensated, the head of the activity to whom the committee reports must certify that appointment of the member is essential to obtain the necessary balance or expertise and that, without compensation, the member is not available. Approvals for compensation shall be granted by the heads of the DoD Components or their designees.

9. Non-Federal Government advisory committee members being compensated at a basic rate of pay equal to, or greater than, General Schedule (GS)-16 (step 1), and expected to serve more than 60 days during a calendar year, must file Standard Form (SF) 278 (Executive Personnel Financial Disclosure report) prior to appointment. Other advisory committee members, including those serving without compensation, must file Defense Department (DD) Form 1555 (Confidential Statement of Affiliations and Financial Interests) prior to appointment. Further information on filing of financial disclosure reports by special government employees is contained in DoD Directive 5500.7 (reference (e)).

10. For each advisory committee, a Federal officer or employee shall be designated to approve or call each meeting, approve the agenda, attend each meeting, and adjourn meetings when he or she determines it to be in the public interest.

11. Timely notice of advisory committee meetings shall be published in the Federal Register and such meetings shall be open to the public.

12. The heads of DoD Components, or their designees, may close all or part of an advisory committee meeting to the public, in coordination with the cognizant general counsel, citing the appropriate provisions of 5 U.S.C. 552b (reference (f)) that justify the closure. Determinations to close meetings shall be in writing and a summary of meeting activities shall be prepared.

13. Reports, records, and minutes of advisory committee meetings and other activities shall be maintained and/or submitted consistent with the FACA (reference (a)) and the GSA Final Rule (reference (b)).
