THE UNITED STATES AIR FORCE ACADEMY:

a bibliography

1990 • 1996

COMPILED AND INDEXED BY

ELWOOD L. WHITE
REFERENCE LIBRARIAN
USAF ACADEMY LIBRARY

JUNE 1996
Introduction

This bibliography does not include articles from local-area (Colorado Springs and Denver) newspapers. Reports of specific athletic events are also excluded, regardless of the source. Even though recent Academy Assemblies, Harmon Memorial Lectures, and Military History Symposia are part of this compilation, a number of materials published at the Academy are not included. Finally, a few items are cited which pre-date the years covered by this supplement. Such items were discovered by the current bibliographer as having been omitted from the previous editions.

The basic arrangement is by subject as set forth in the Table of Contents. Within each subject area, the listing is subdivided by resource type: Air Force Instructions (AFIs), books, newspaper and periodical articles, government documents, and other sources. Call numbers, shown in parentheses, indicate the location of the item in the Academy libraries.

We encourage our readers to submit any additional references not included in this or earlier bibliographies. Bibliographical data on any such materials should be sent to:

Director of Academy Libraries
HQ USAFA/DFSEL
2354 Fairchild Drive, Suite 3A10
USAF Academy, CO 80840-6214

Requests to borrow any materials listed in this or previous bibliographies should be directed to the Interlibrary Loan Office at the same HQ USAFA/DFSEL address.

This bibliography is the second compiled and indexed by Mr. Elwood L. White of the Reference Branch at the Academic Library. We are grateful to Mr. White for his meticulous work and careful research.
