COUNTERDRUG PROGRAMS

NGB Counterdrug Operations
Maj Miguel A. Besosa
NGB-CD

National Priority

- The **Highest Priority** of the National Guard Counterdrug Program is Support to Domestic Law Enforcement Agencies and Community-Based Organizations, in their efforts to reduce the use of and trafficking in illicit drugs. This program is executed by Authority of the States, District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands, in concert with the National Drug Control Strategy.

National Priority

OUR VISION

The National Guard will be recognized by law enforcement agencies, community-based organizations, and our citizens as the premier support force in creating a drug free nation.

Strate

OUR MISSION

The National Guard Counterdrug Program, with members in most major communities, provides highly skilled personnel, specialized equipment, and facilities to support law enforcement agencies and community-based organizations in response to the changing drug threat.

National Guard Demand Reduction

The National Guard is a “Force Multiplier” in support of drug prevention coalitions, state organizations and other various agencies in their effort to reduce the abuse and illegal use of drugs.

The Focus is on Drug Abuse Education, Prevention and Awareness.

Community Based, Educational Institutions, Informational, Leadership Development, Coalition Development

What is NG Demand Reduction all about?

The vast National Guard presence, A forum for the nation, Our partnerships, Stable role models

Supply Reduction

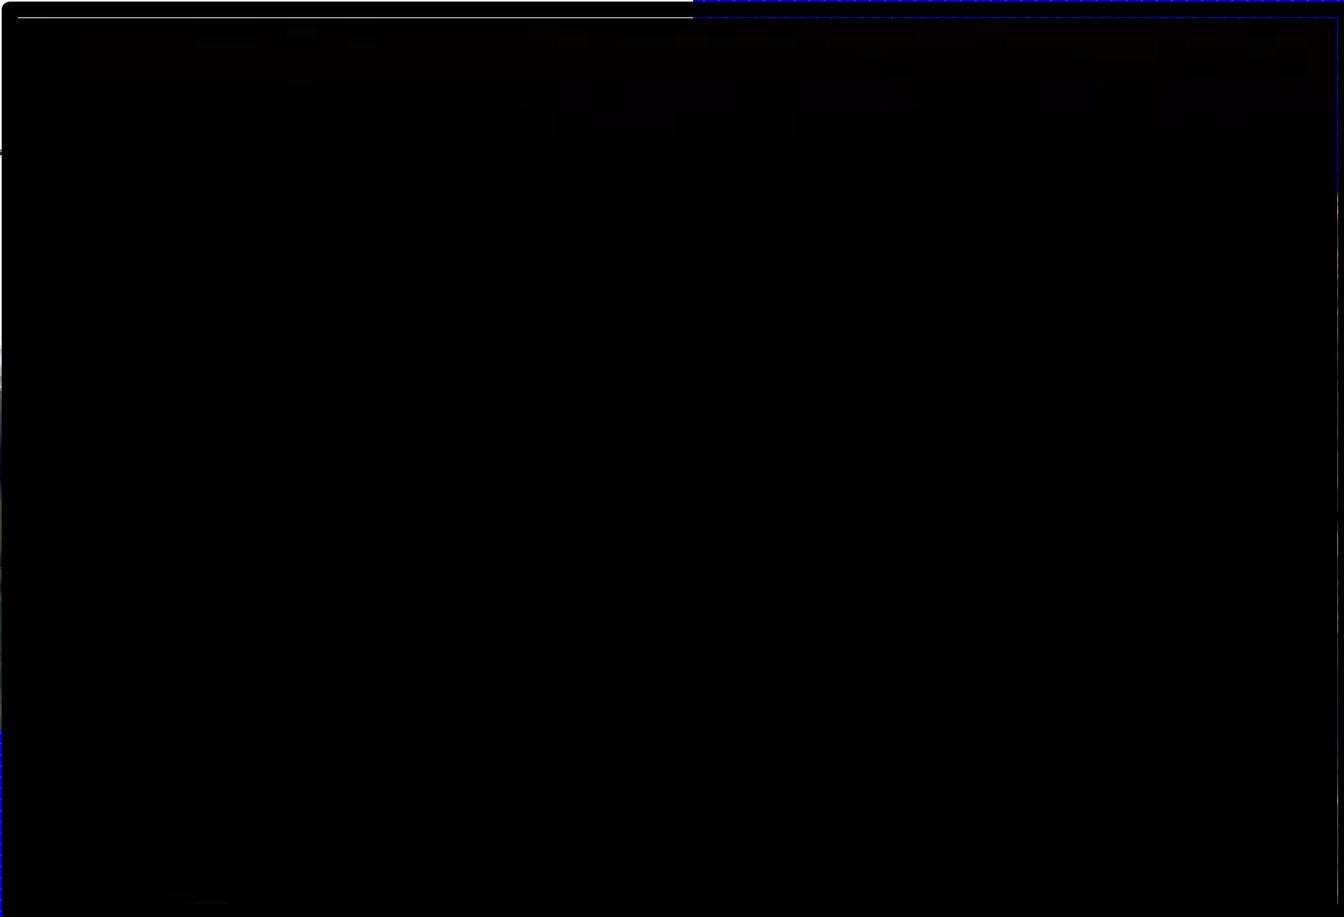

- Equipment Support
