

***Combating WMD
Joint CBRN Conference 2006
Fort Leonard Wood***

***Dr. James A. Tegnella, Director,
Defense Threat Reduction Agency and
USSTRATCOM Center for Combating
WMD***

Outline

- Combating WMD Strategic Framework
- USSTRATCOM and DTRA Responsibilities
- Programmatic Response
- The Future – Our People

Combating WMD Strategic Framework

Guidance for combating WMD

- National Strategy for Combating WMD - 2003
- National Implementation Plan – 2006
- National Military Strategy for Combating WMD – 2006
- CONPLAN 8099 – 2006
- Quadrennial Defense Review and Strategic Planning Guidance - 2006

A strategic shift in focus

Continuing the reorientation of military capabilities and implementing enterprise-wide reforms to ensure structures and process support the President and the warfighter

National Strategy: a layered defense

New emphasis in combating WMD

- From predictability to surprise and uncertainty
- From focus on protecting the force to protecting society at large
- From military operations to integrated interagency activities employing all elements
 - of national power
- From direct US military action to building partner capabilities
- From responding after action starts to anticipatory actions as a means to dissuade and deter

USSTRATCOM and DTRA Responsibilities

USSTRATCOM – then & now

1956

Largest COCOM HQ
Single mission focus
Internal focused planning
Supported for single mission execution
Deterrence through retaliation

2006

Small HQ staff
Multi mission focus:
 enable JFCCs
Collaborative/adaptive plans
Focused on providing capabilities to COCOMs
Broad mission areas
Broad spectrum influence

Accelerated transformation to strengthen the joint warfighter...

Joint Functional Component Commands

JFCC-IMD
Crystal City VA
Schriever AFB
LTG Dodgen

JFCC-SGS
Lt Gen Chilton
Offutt AFB

JFCC-ISR
LTG Maples
Bolling AFB

JFCC-NW
LTG Alexander
Ft. Meade

SCC-WMD
Dr Tegnella
Ft. Belvoir

JSpoc
Maj Gen Shelton
Vandenberg AFB

JIOC
Maj Gen Koziol
Lackland AFB

AOC
Lt Gen Chilton
Barksdale AFB

JTF-GNO
Lt Gen Croom
Arlington VA

Command structure & relationships

Programmatic Response

Providing capabilities to the COCOMS

Nonproliferation

Foreign Assistance Activities

Counterproliferation

Technical Reachback Capabilities

Consequence Management

Training & Exercises

Programmatic initiatives

- Loose nuclear weapons
 - Locate, target and track
 - Render Safe
 - Attribution
- WMD elimination
 - CONOPS development underway
 - Army staff, TRADOC, 20th Support Command, USSTRATCOM
- Bio Initiative
 - FY 06-11 program issue and QDR initiative
 - Working with USAMRIID, JRO, JPEO, NCB, DTRA

The Future – Our People

Building the future workforce

National Security Personnel System

University Strategic Partnership

- Combating WMD is a multi-discipline, multi-generational challenge
- Must build next generation scientific/technical workforce while solving today's technical challenges.

Back Ups

SCC-WMD chronology

- 06 Jan 05 – SecDef Memo: “I assign CDRUSSTRATCOM as the lead combatant commander for integrating and synchronizing DoD in combating WMD.”
- 02 Feb 05 – CJCS Warning Order
- 26 Aug 05 – SCC-WMD Establishment Memo
- 26 Aug 05 – SCC-WMD Implementation Directive
- 26 Jan 06 – SCC-WMD declared IOC
- 31 Jan 06 – SecDef ‘dual hats’ DIR/DTRA
- 04 Apr 06 – DDIR/SCC-WMD onboard
- 05 May 06 – UCP-06 approved

SCC-WMD mission

The Center will integrate and synchronize DoD efforts to combat WMD in support of US government objectives. The Center will develop and maintain global situational awareness of WMD activities, advocate for combating WMD capabilities, and assist with WMD planning, while shifting emphasis from DoD-centric approaches toward interagency solutions.
