A line of military trucks, likely M1070 heavy haulers, is parked on a dirt road. The trucks are arranged in a long line, receding into the distance. The lead truck in the foreground is a large, tan-colored vehicle with a prominent front grille, headlights, and a large antenna. The word "QUESTIONS?" is overlaid in large, white, bold, sans-serif font with a black outline across the center of the image. The background shows a clear sky and some sparse vegetation on the left side.
