

Industrial Committee of Ammunition Producers (ICAP)

2010 Progress Report

Michael S. Wilson
Industry Chairman

Munitions Executive Summit
9 February 2010

ICAP – Overview

Mission: *To serve as a forum for interested NDIA members and other concerned parties to review and discuss issues, policies, and procedures in the ammunition arena and to examine industry and government initiatives relating to the ammunition life cycle.*

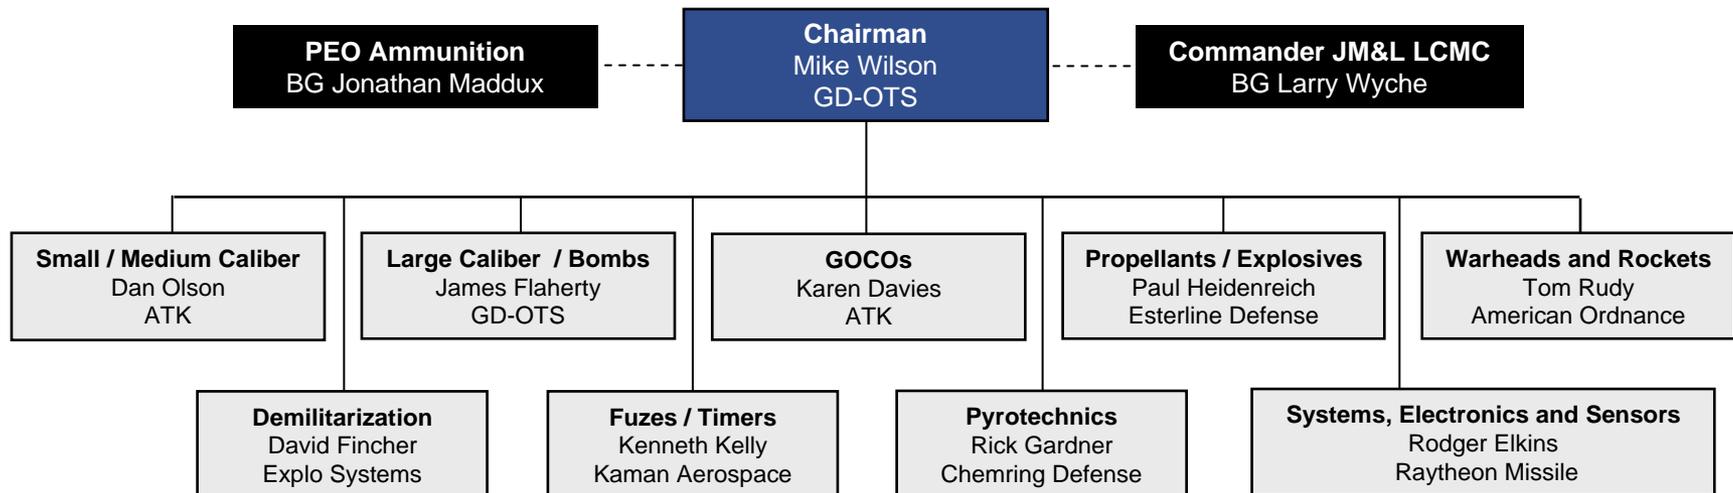

Objective: *To provide a forum for the open exchange of Government and Industry views related to the DoD ammunition area. Specific objectives include:*

- *Review and discuss Government ammunition acquisition policies, procedures, and actions.*
- *Report on the various sectors of the ammunition industry.*
- *Identify impediments to sustaining a responsive ammunition industrial base.*
- *Provide a platform for cooperation and collaboration in resolving issues related to the ammunition life cycle from development through disposal.*

ICAP – 2010 Organization

Membership: *The ICAP will be formed from the NDIA corporate executives from Industry defense producers of ammunition and ammunition components.*

**Government and Industry
Partnering for Success**
