Individuals having access to identifiable personnel information may be held personally responsible and punishable for making unauthorized disclosures. The database is subject to computer matching programs, as regulated by the Privacy Act. Computer matching is conducted with other Federal and non-Federal agencies for such purposes as to verify eligibility for benefit programs and determine continued compliance with benefit program requirements. Matching is also conducted to recover improper payments made to, or delinquent debts owed by Federal personnel to include current and former military members.

4. RESPONSIBILITIES

a. Under Secretary for Personnel and Readiness (USD(P&R)). The USD(P&R) shall provide overall policy guidance for DoD reporting of all PERSTEMPO events.
