Purpose. This DTM establishes policy and provides guidance regarding enlistment waivers for applicants for the Military Services. It standardizes terminology, identifies reporting requirements, and implements a coding system to be used by the Services for tracking and reporting waiver data. In addition, it establishes a minimum standard or threshold for requiring drug and/or conduct waivers for enlistment. This DTM is approved immediately for implementation on October 1, 2008; it shall be incorporated into DoD Instruction 1304.26. This DTM shall expire effective *September 1, 2011 August 30, 2012.*

Background. This DTM responds to an increased level of interest in waiver reporting and to results from data queries from the Defense Manpower Data Center (DMDC), the U.S. Military Entrance Processing Command (USMEPCOM), and the Services that have proven to be inconsistent in the application of waivers.

Applicability. This DTM applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office

of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the Department of Defense (hereafter referred to collectively as the “DoD Components”).

Definitions. See Glossary.

Policy. It is DoD policy that:

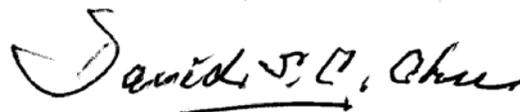

- The Services will enlist into the Armed Services individuals who are fully qualified to serve.
- Judgment as to an applicant’s qualifications is reached by virtue of a “whole person” review in which all aspects of an applicant’s qualifications are examined. It is possible, in some cases, that waiver consideration may be warranted.
- Enlistment waiver practices shall be standardized across the Military Services to ensure consistent and equitable reporting that, in turn, assures reliable and meaningful evaluation of the Department’s performance in managing whole person eligibility reviews.

Responsibilities. See Attachment 1.

Procedures. Attachment 2 sets forth the minimum requirements for enlistment waivers and provides procedures and codes for classifying and coding conduct offenses and waivers. Attachment 3 contains the mandatory format for collecting and reporting waiver data.

Information Requirements. The Service Quarterly Reports referred to in Attachment 1, paragraph 4.e., have been assigned RCS DD-P&R(Q)2324 in accordance with DoD 8910.1-M (Reference (a)).

Releasability. UNLIMITED. This DTM is approved for public release. Copies may be obtained through the Internet from the DoD Issuances Web Site at <http://www.dtic.mil/whs/directives>.

ATTACHMENT 2

PROCEDURES

1. WAIVER REQUIREMENTS. In accomplishing whole person reviews of enlistment eligibility, the following categories and combinations of categories would require a favorable waiver determination by the Secretary of the Military Department concerned for the applicant to be considered qualified.

a. Conduct Waiver

(1) Required when the final finding of the courts or other adjudicating authority is a conviction or other adverse adjudication of one of the following.

(a) One “major misconduct” offense.

(b) Two “misconduct” offenses.

(c) A pattern of misconduct.

(1) One “misconduct” offense and four “non-traffic” offenses.

(2) Five or more “non-traffic” offenses.

(2) Use Table 1 of this attachment to determine the appropriate level of offense and applicable code.

b. Dependent Waiver. Required when an applicant is married with more than two dependents under the age of 18 or when an applicant is unmarried and has custody of any dependents under the age of 18 (DoD Instruction 1304.26 (Reference (c))).

c. Drug Waiver. Required when an applicant or enlistee is confirmed positive for the presence of drugs or alcohol at the time of the original or subsequent physical examination (tests positive on the Drug and Alcohol Test (DAT) at a Military Entrance Processing Station (MEPS) or equivalent facility).

d. Medical Waiver. Required for enlistment qualification of an applicant who has or may have had a medical condition incompatible with DoD Instruction 6130.4 (Reference (d)).

2. CLASSIFYING AND CODING CONDUCT OFFENSES. The following procedures shall be used in the classifying and coding of all conduct offenses.

a. Align the offense with an offense from Table 1 of this attachment. (EXCEPTION: “Felony offenses.” Any offense classified as a felony under State or Federal jurisdiction shall be counted as a major misconduct offense for DoD purposes regardless of similar charges listed.)

b. If unable to find a similar charge, apply the following:

(1) If the adjudicating authority can impose a maximum period of confinement that exceeds 1 year, treat the offense as a major misconduct offense.

(2) If the adjudicating authority can impose a maximum period of confinement that exceeds 6 months but is not more than 1 year, treat the offense as a misconduct offense.

(3) Treat all other offenses as other non-traffic offenses or traffic offenses depending on the nature of the offense.

c. The 3-digit offense codes from Table 1 shall be utilized to ensure standardized reporting and tracking.

3. CODING WAIVERS. The following codes shall be used for all waivers and entered on DD Form 1966, “Record of Military Processing – Armed Forces of the United States,” as space allows. Refer to Table 2 of this attachment for appropriate codes. All other codes in Table 2, which are identified as “not used,” may be used by the Services for internal tracking purposes.

a. Conduct Waivers. DCA, DCB, DDA, DDB, DEA, DEB, DFA, DFB.

b. Dependent Waivers. BBA, BBB, BBC, BBD, BBE, BBF.

c. Drug Waivers. FDA, FDB, FDC, FDD, FDE, FDF.

d. Medical Waivers. HAA, HAB, HAC, HAD, HAE, HAF, HBA, HBB, HBC, HBD, HBE, HBF, HCA, HCB, HCD, HCE, HCF.

4. COLLECTING AND REPORTING WAIVER DATA. The Service quarterly reports to OUSD(P&R)/MPP (AP) (required by paragraph 4.a.(5) of Enclosure 2) are due no later than the 20th of the month following the end of a quarter (January 20, April 20, July 20, and October 20). The Service Waiver Data template at Attachment 3 shall be used to report the data. Adherence to the following guidance is critical to ensuring consistent data.

a. All Waivers. Waiver codes shall be entered on the DD Form 1966, block 18(f)(1-6), “Accession Data/Waiver.” All waivers shall be documented there regardless of when they were approved. This includes waivers approved for entry into the Delayed Entry Program (DEP), waivers approved while in DEP, and those approved on the day an individual enters active duty. Block 17(h)(1-6), “DEP Enlistment Data/Waiver,” will not be used for USD(P&R) purposes, but a Service may elect to use it for internal tracking purposes.

b. Conduct Waivers. Report only the most severe waiver. For example, if an applicant has a conviction for a major misconduct offense and three misconduct offenses, report these only as a “major misconduct” waiver; however, all offenses should be considered when evaluating an applicant for suitability to serve.

c. Dependent Waivers. Report only waivers approved for individuals with minor dependents. For OUSD(P&R) purposes, military members that are married to another military member are treated the same as those married to a civilian; however, the Services may be more restrictive in their requirements concerning this issue and may require a Service review.

d. Drug Waivers. Report only waivers approved for individuals with a positive DAT result.

e. Medical Waivers. Multiple waivers are allowed for different medical conditions. Table 2 of this attachment lists the appropriate codes for medical conditions requiring a waiver. If the waiver codes are identified by two different codes, report the two as two waivers; if they are not, report them as one. For example, if an applicant receives a waiver for hearing (HCA) and for height (HAA), both codes should be entered. If an applicant receives a waiver for hearing (HCA) and a heart murmur (HCA), only one code should be entered on the DD Form 1966; however, when reporting either of these on the Service Waiver Data template (Attachment 3), count as one medical waiver only.

<u>SERVICE WAIVER DATA</u>

(A) <u>Total Non-Prior Service Accessions</u> . Self-explanatory	0
(B) <u>Total Non-Prior Service Accessions With a Waiver</u> . Count only the number of individuals that accessed with an approved waiver. A person with more than one waiver, e.g., a medical and a conduct waiver, would only count as one accession with a waiver.	0
(C) <u>Total Non-Prior Service Accessions With a Medical Waiver</u> . Count only the number of INDIVIDUALS that accessed with an approved medical waiver. A person with more than one medical waiver would only count as one accession with a waiver.	0

GLOSSARY

Unless otherwise noted, the following terms and their definitions are for the purposes of this DTM only.

adjudicating authority. Any Government official who is empowered to make findings or determinations concerning an alleged criminal offense (adult and juvenile) and establish responsibility for commission of the offense. Examples include judges, courts, magistrates, prosecutors, hearing officers, military commanders (for Article 15 actions pursuant to chapter 47 of Reference (c), suspension of dependent privileges, or similar actions), probation officers, juvenile referees, and parole officers or boards.

adverse adjudication (adult or juvenile)

A finding, decision, sentence, or judgment that was other than unconditionally dropped or dismissed or the individual was acquitted. If the adjudicating authority places a condition or restraint that leads to dismissal, or the individual is dismissed after a certain period of time, drops the charges, acquits, or the records are later expunged, the adjudication is still considered adverse. Suspension of sentence, pardon, not processed, or dismissal after compliance with imposed conditions is also adverse adjudication.

A conviction for violating any Federal law (including chapter 47 of Reference (c)), or any State or municipal law or ordinance, that conviction is considered an adverse adjudication. For example, a shoplifter is reprimanded and required by the on-scene police officer, store security guard, or manager to pay for the item before leaving the store but is not found guilty or is not convicted. In this situation there is no adverse adjudication because no legal proceedings occurred.

conviction. The act of finding a person guilty of a crime, offense, or other violation of the law by an adjudicating authority. This includes fines and forfeiture of bond in lieu of trial.

dependent. Includes:

A spouse of an applicant for enlistment.

An unmarried, adopted, or stepchild under the age of 18 living with the applicant.

An unmarried natural child of the applicant under the age of 18.

Any person living with the applicant who is, by law or in fact, dependent upon the applicant for support, or who is not living with the applicant and is dependent upon the applicant for over one-half of his or her support.

restitution. Any compensation in time, labor, or money for the adverse effects of an offense limited to agreements resulting from judicial or prosecutorial involvement. For example, an

individual is adversely adjudicated for vandalism and is ordered by the adjudicating authority to replace or repair the damaged property.

Service review. A formal review of condition(s) or event(s) that, based on Service-specific standards, may make an applicant for enlistment ineligible to serve. Once a Service review is complete, the Service may grant an exception to policy to allow an individual to serve. These standards are subject to change at the discretion of the Service.

waiver. A formal request to consider the suitability for service of an applicant who because of inappropriate conduct, dependency status, current or past medical conditions, or drug use may not be qualified to serve. Upon the completion of a thorough examination using a “whole person” review, the applicant may be granted a waiver. The applicant must have displayed sufficient mitigating circumstances that clearly justify waiver consideration. The Secretaries of the Military Services are the final approval authority for all waivers.
