(d) Section 318c of title 40, United States Code

1. PURPOSE

This Directive establishes policies pursuant to the requirements of reference (a) and to authority delegated to the Secretary of Defense under reference (b) for the enforcement, on DoD military installations, of those State vehicular and pedestrian traffic laws that cannot be assimilated under reference (c).

2. APPLICABILITY AND SCOPE

2.1. The provisions of this Directive apply to the Office of the Secretary of Defense, the Military Departments, the Organization of the Joint Chiefs of Staff, the Unified and Specified Commands, and the Defense Agencies.

2.2. The provisions encompass all persons who operate or control a motor vehicle or otherwise use the streets of a military installation over which the United States exercises exclusive or concurrent legislative jurisdiction.

2.3. The provisions govern only vehicular and traffic offenses or infractions that cannot be assimilated under reference (c), thereby precluding application of State laws to traffic offenses committed on military installations.

3. POLICY

3.1. It is the policy of the Department of Defense that an effective, comprehensive traffic safety program be established and maintained at all military installations, as prescribed in reference (a).

3.2. State vehicular and pedestrian traffic laws that are now or may hereafter be in effect shall be expressly adopted and made applicable on military installations to the extent provided by this Directive. All persons on a military installation shall comply with the vehicular and pedestrian traffic laws of the State in which the installation is located.

3.3. *Pursuant to the authority established in enclosure 1, installation commanders of all DoD installations in the United States and over which the United States has exclusive or concurrent legislative jurisdiction are delegated the authority to establish additional vehicular and pedestrian traffic rules and regulations for their installations. All persons on a military installation shall comply with locally established vehicular and pedestrian traffic rules and regulations.*

3.4. *A person found guilty of violating, on a military installation, any State vehicular or pedestrian traffic law or local installation vehicular or pedestrian traffic rule or regulation made applicable to the installation under the provisions of this Directive is subject to a fine of not more than \$50 or imprisonment for not more than 30 days, or both, for each violation (40 U.S.C. 318c (reference (d))).*

3.5. This Directive does not limit the application of any Federal law or regulation or, under 18 U.S.C. 13 (reference (c)), any State law made applicable to offenses committed on military installations.

3.6. A copy of this Directive shall be posted in an appropriate place on the DoD installation concerned.

4. RESPONSIBILITIES

4.1. The Assistant Secretary of Defense (Force Management and Personnel) (ASD(FM&P)) shall modify this Directive, as appropriate.

4.2. The Secretaries of the Military Departments shall comply with this Directive.
